

# STOCKHAM PRIMARY SCHOOL THURSDAY NEWSLETTER

Issue No: 559

Thursday 11<sup>th</sup> February 2021

Dear Parents and Carers,

We hope you are all enjoying supporting 'Children's mental Health week'. Tomorrow, all the children have a live street dance session with other children in school. Please ensure you can access Zoom. The dance teacher would like it if the children have their name on the zoom profile, so that they can interact with the children at home. I hope you will all join me for a whole school live assembly on Friday at 2.40pm. Please ensure that you enter the assembly with your sound on mute as there will be 210 children all in different settings hoping to hear the assembly at the same time. This assembly will be recorded.

On Friday 12th February, the GreenRoomcollective are offering a free virtual live family disco to your home. Why don't you join in? <https://www.greenroomcollective.com/> I have already requested a shout out to all the Stockham school home-learners!

Half term – Please contact the office on [office.2583@stockham.oxon.sch.uk](mailto:office.2583@stockham.oxon.sch.uk) if your child develops symptoms of coronavirus and tests positive. School will need to be informed of any positive cases in order to follow the track and trace procedure.

End of term

Friday 12th February - For keyworker and vulnerable children, term 3 finishes at 3.00pm (Years, F, 1, 5 and 6) or 3.10pm (Years 2, 3 and 4).

Thank you for all working so hard at home with your child/ren. I will let you know as soon as I hear any information about the return of children to school from the 8th March.

Have a lovely half term break,

Many thanks,  
Mrs Ruth Burbank.

## Soaring High

This week the following children have earned "Soaring High":

- Year 1** Maisy for using fabulous independence in her writing, you are absolutely trying your best in our English lessons and you have such a fantastic learning attitude. Well done!  
Ethan for using such great determination in his learning, you are working really hard and taking part in the lessons amazingly. Keep up the brilliant work!
- Year 2** Emily, Jasper and George for an exceptionally high standard of work at home. You all push your thinking and your learning with challenging extensions or extra work. You always ensure that you present your work beautifully and everything is always well thought-out. It is a joy to mark all that you do and I am incredibly proud of you. Well done!
- Year 3** Kiki for great listening and thoughtful contributions in class, and Kalinda for the incredibly high standard of her work she has been doing at home.
- Year 4** Frankie has been working so, so hard and he has impressed all the adults in Year 4 so much over the past few weeks. He always puts 100% into his work, sometimes even choosing to work into his playtimes to get things finished. He has thoroughly embraced all the artwork we have been doing and is showing a real flair for the subject. He is a pleasure to have in everyday and always makes us smile. Well done, Frankie, you are a superstar.  
Jayden has been working so hard at home and despite missing all of his friends at school a lot and finding this tricky, he always joins in so well with our live sessions on Teams, asking great questions and contributing lots. He has been fully involved in lots of our funny challenges and has completed some great work over the past few weeks. I have been impressed with your perseverance, Jayden. You should be proud of your achievements.
- Year 5** Harry for his independence, creativity and positive outlook to home schooling. Well done Harry!
