Whole school staff approach (the principles)

We encourage all adults to model exceptional behaviour and maintaining excellent standards across the school. We aim to achieve this by:

- Setting high expectations of respect and kindness
- Being consistent and fair in applying rules, rewards and sanctions across the school
- Acting as a positive role model and following school policies
- Working with parents to ensure the children achieve their best
- Encouraging children to identify self-worth and have high aspirations
- Providing a wide range of pastoral care to support children's needs
- Giving time to families and children who need additional support
- Expecting green behaviour (see our guidance on behaviour for learning).

Behaviour Policy

Recognising good behaviour

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom. They will:

- Demonstrate consistent, calm adult behaviour
- Pay first attention to the desired behaviours
- Promote tactical ignoring of undesired behaviours where possible (follow up later as appropriate) Use relentless and consistent routines
- Make use of scripted conversations
- Follow up incidents using a restorative approach.
- Recognise that some pupils may be unable to regulate their own emotions, such as fear, anger or upset, which can present as inappropriate behaviour. Therefore, school staff will respond calmly and sensitively when helping pupils to manage these feelings.
- Work in partnership with parents to identify and together resolve any underlying causes for negative behaviour Support pupils to be able to name the emotions they are feeling and the feelings they get in their body prior to, during and after a negative experience
- Use the Pastoral team and Senior Leadership Team for support.

We recognise good behaviour throughout the school by:

Creating an environment immersed in meaningful positive praise.

- Using 'Soaring high' certificates to celebrate individual's success through the weekly newsletter and our weekly celebration assembly
- Rewarding children with house points, Fuzzies (in Foundation and Year 1) and fab cards
- Giving children stickers, stamps or house points to recognise their personal achievements
- Head Teacher and senior leadership praise and soaring high stickers
- Head Teacher postcard home
- Lunch time raffle rewards
- Every class has their own marble jar.
- Teachers may also use their own individual systems of class rewards.
- IBP are in place for children who are SEN specifically for behaviour.
- ACE (A concerted effort) cards are used for exceptional behaviour/improvements and rewarded to two children per class, each term, 6 x a year.

Examples of positive behaviour to be rewarded are:

- Working hard and showing an excellent learning attitude
- Being an active listener
- Being polite, respectful and using good manners
- Being considerate and kind to others
- Personal improvements and self-regulation (meeting individual behaviour targets)
- Being helpful and thinking of others' needs
- Excellent playtime and lunchtime behaviour
- Representing the school whilst showing positive behaviour/sporting values
- Home learning attitude and positive input when working at home during isolation

Golden time (Final full Friday of term)

Golden time is a whole school (Years F-6) mixed year group activity for the afternoon session on the last full day Friday. This time is dedicated to improving children's personal development through a variety of rich, engaging activities.

A list of 'Golden' activities is sent around the classes and children sign up to their chosen activity. T

Some activities offered in Golden Time are: Forest school, visits to museums, archery, cooking, dance and music, drawing and design, technology skills, outdoor play, storytelling, drama, pottery, sports, creative arts.

Stickers/House points/Stamps

Stickers and house points will be awarded to children by any member of school staff in recognition for their positive behaviour and work.

Children with the most house points in each class are announced on Fridays and also which house group bird earned the most in the week. A coloured ribbon is then put onto the House cup and the house captain will collect the cup in assembly.

Additional leaders

5 Sports leaders from Year 6 initiate games at lunch and break times with KS1 and foundation. The older children are trained in leadership skills to gently resolve any issues and act as role models to the younger children. The sports leaders model good behaviour at the lunch tables and help the children have a positive eating experience.
